Grand Officers do not inspect their own Commanderies, they must trade with another Officer

Inspection Directives

Inspection dates will be the responsibility of the Commander together with the Inspecting Officer and the Deputy Inspector in each division. All inspections should be scheduled by June 30, 2019 if possible. No two inspections will be held on the same day. All inspections should be completed before December 15, 2019. Combined inspections will be permitted, but no two Combined inspections will be scheduled on the same day. If three Commanderies put on the Order of the Temple as a Combined inspection, the Inspecting Officer Must inspect the other two Commanderies on a different day at their scheduled Conclave or Special Conclave. Combined inspections Must Not mix Divisions, example Wheeling (1) and Palestine (2).

This information will be sent by the Grand Commander to the State Editor for publication in the Knights Templar Magazine. Include the starting time, work plan and if a dinner will be served. If a dinner is held in conjunction with an inspection, Sir Knights should appear in uniform.

It is the duty of the Deputy Inspector General to see each Commandery within the Division is properly prepared for Inspections by holding at least one School of Instruction at each Commandery prior to inspection. The Deputy Inspector's responsibility is to see that each School is held to assist the Commandery to obtain the required proficiency in both tactics and ritual.

There will be NO INSPECTIONS on Sept 28, 2019, as the Mid Atlantic Conference is being held on this weekend.

I will attend as many inspections as I can and will be received as part of the Inspecting Officers' staff. The inspecting officer will be received as if he were the Grand Commander, even when the Grand Commander is present.

REMEMBER IT IS THE INSPECTOR'S DAY
